What Participants Can Expect

This spiritually-focused and restful retreat experience provides participants with a time for “unplugging” from life and ministry responsibilities. As participants get in touch with their own soul and spirit, as well as where they are in relationship to the God who sends them into the world to carry out the ministry of Christ to the Father through the power of the Spirit, they experience spiritual renewal and are prepared for more effective ministry service.

Past Retreat Testimonies

“My experience at the recent ‘Experiencing the Trinity Retreat’ (in Titusville, Florida), is really beyond words that I can think of to describe..... I was struggling with some health issues and this ‘challenged’ me to push on through the weekend. Yet, this seemed to make the experience even more meaningful.... I was deeply moved ‘spiritually’ over the time spent there.....”

“God (Father-Son-Spirit) revealed to me some life-changing revelations;I received the ‘message’ that I am to prepare for the next ‘season’ of my life (the life God has given to me); I cannot recommend highly enough for ‘all’ that can to attend one of these ‘Retreats’you WILL NOT regret it!”

“This is one of those ‘special times’ in life that is difficult to explain.....it really must be ‘experienced’ with the experience will come the understanding. I plan to attend again next year (God willing); and I recommend that you do the same.....”
